The position is clear & needs no Explanation. It is only the D.C. that has not understood the situation clearly. Before leaving Negore last he discussed all these points with him & told him how to proceed in the matter. He did not appear to have any doubts then. It is the D.C. that should make the purchases in his District thro the Local Revenue officers, making use of the Inspector in such manner as may appear to him to be most suitable. S i r ,

With reference to your memo No.O.C.1805/Rev.18-19 - dated the 18th October 1918 forwarding copy of your letter to Government requesting the deputation of a Special Officer under me to purchase paddy in the Mysore District, and also seeking instructions in regard to other matters, I have the honour to state as follows:-

I shall be glad to know whether the arrangement proposed in a separate letter that I have sent you to-day under which a Food Inspector is deputed to work under you will not meet the requirements referred to by you in the first paragraph of your letter to Government.

In regard to your suggestion that the power to purchase stocks should be conferred upon Deputy Commissioners of Districts, I have to state that I have already addressed Government in the matter and enclose a copy of my letter on the subject.

In regard to your remarks in paragraph 4 I should suggest for your consideration whether the Government Officer -- taking action under he Section 3E (2) (c) of the Rules cannot demand delivery of goods at any railway station nearest to the village in which purchases are effected. The section seems to give power for this being done. If this were done the -

the only cost to Government will be the charge for transporting paddy from the station at which delivery is effected to Mysore.

I have the honour to be,

Letter No.3589 dated the 17th October 1918 from the Director of Civil Supplies in Mysore, Bangalore to the Chief Secretary to the Government of His Highness the Maharaja of Mysore.

"Inview of the fact that maximum prices for Ragi and Paddy recently fixed by Government might lead to withholding of stocks from the market I beg to suggest for the consideration of Government that I might be empowered under Rule 3 B Sub Rule (7) of the Defence of India Rules to require delivery of stocks in areas in which maximum prices are fixed, on payment of price. I also suggest that the Deputy Commissioners of Districts and the Presidents of the two City Municipalities be also be similarly empowered within their respective jurisdiction."

S i r ,

I have the honour to acknowledge your letter of the 17th October 1918 as well as the telegram of that date. I trust that my letter No.3500 dated the 16th October 1918 which was sent to you along with a messenger soon after the despatch of my telegram of the 16th instant will have explained all the points raised by you in your letter to me forwarding the report of the Amildar of Yedatore. I believe you are in receipt of my telegram to the effect that the Bank of Mysore have arranged to place at your disposal a sum of Rs.5,000 towards any immediate requirements for the purchase of Paddy. I enclose herewith a copy of the letter addressed to me by the Manager of the Bank of Mysore on this subject. As I have already stated in my letter I should suggest that deliveries of paddy should be obtained either at any railway station or at Mysore, in consonance with the practice prevailing in regard to the purchases of Ragi in Bangalore District. The only other point on which the Amildar of Yedatore requests instructions is about gunny bags which has also been dealt with in my letter of the 16th. In accordance with your telegram I have sent the Inspector Mr. Kamruddin, B.A., to work under you to purchase paddy. He has been instructed to take your orders in regard to all matters necessary for purchasing paddy. He will submit a diary every day to me through you. I trust that as the purchases of --

paddy will involve large transactions in money you will have time to do this yourself as it would be inadvisable to delegate this work to a subordinate officer of this - Department. The letters of the Amildar of Yedatore are returned herewith.

I have the honour to be,

Sir,

I have the honour to state that one Mr. K. Qamruddin Khan, Inspector of Civil Supplies, has put in a report to me this afternoon saying that he has done so in obedience to instructions given by you. I have had no communication from the Government or from you on this subject, and I am, therefore, unable to assign to him any duties. I would add that if purchases on a large scale are contemplated, the Special Officer appointed for the purpose may most conveniently work directly under you.

I have the honour to be,
Sir,
